In addition, in order to make the proceeds of the Debt Financing available to Offeror Group, concurrently with entry into the definitive loan agreement, SSJ will issue a note to Parent in an amount sufficient for the Offeror Group to complete the Offer and the Merger.

Item 4. Purpose of Transaction

Consortium Agreement and Non-binding Proposal

On May 25, 2020, Japan NK Investment K.K., IDG-Accel China Capital L.P., IDG-Accel China Capital Investors L.P., Jolmo Solar Capital Ltd., CES Holding Ltd., Jing Kang, Bin Shi, Sino-Century HX Investments Limited and Kai Ding (collectively, the "Consortium") entered into a consortium agreement (the "Consortium Agreement"), pursuant to which the Consortium agreed to work exclusively with one another in good faith to undertake a transaction to acquire all the outstanding Ordinary Shares of the Issuer other than certain Ordinary Shares beneficially owned by the members of the Consortium or their affiliates (the "Proposed Transaction"). The Consortium Agreement provides, among other things, for: cooperation in arranging financing; engaging advisors; admission of new Consortium members; cooperation in obtaining applicable governmental, statutory, regulatory or other approvals, licenses, waivers or exemptions for the consummation of the transactions; and cooperation in preparing definitive documentation with respect to the Proposed Transaction. During the period beginning on the date of the Consortium Agreement and ending the first to occur of (i) the 6-month anniversary of the date of the Consortium Agreement and (ii) the termination of the Consortium Agreement on the occurrence of other termination events (the "Exclusivity Period"), members of the Consortium have agreed, among other things, to: (a) work exclusively with each other with respect to the Proposed Transaction; (b) not to make a competing proposal for the acquisition of control of the Issuer; (c) acquire or dispose of any securities of the Issuer; or (d) enter into any written or oral agreement, arrangement or understanding regarding, or do, anything which is directly inconsistent with the Proposed Transaction.

On May 25, 2020, the Consortium submitted a non-binding proposal (the "Proposal") to the Issuer's board of directors. Under the Proposal, members of the Consortium propose to acquire, through an acquisition vehicle to be formed by them, all of the outstanding Ordinary Shares not beneficially owned by the Consortium members for US\$6.00 per ADS in cash, representing a premium of 81.3% to the closing price of the Issuer's ADSs on May 22, 2020 and a premium of 94.0% and 109.2% to the volume-weighted average closing price of the Issuer's ADSs during the last 7 and 30 trading days, respectively. The Consortium intends to finance the Proposed Transaction through a combination of debt and equity financing.

The Proposal also provides that, among other things, the Consortium will (a) conduct customary due diligence on the Issuer and (b) negotiate and execute definitive agreements with respect to the Proposed Transaction that will include provisions typical for transactions of this type.

The Proposed Transaction is subject to a number of conditions, including, among other things, the negotiation and execution of a definitive merger agreement and other related agreements mutually acceptable in form and substance to the Issuer and the members of the Consortium. Neither the Issuer nor any member of the Consortium is obligated to complete the Proposed Transaction, and a binding commitment with respect to the Proposed Transaction will result only from the execution of definitive documents, and then will be on the terms provided in such documentation.

If the Proposed Transaction is completed, the Issuer's ADSs would be delisted from the NASDAQ Capital Market, and the Issuer's obligation to file periodic reports under the Act would terminate. In addition, consummation of the Proposed Transaction could result in one or more of the actions specified in Items 4(a)-(j) of this Schedule 13D, including the acquisition or disposition of securities of the Issuer, a merger or other extraordinary transaction involving the Issuer, a change to the board of directors of the Issuer (as the surviving company in the merger), and a change in the Issuer's memorandum and articles of association to reflect that the Issuer would become a privately held company.

On July 6, 2020, the Consortium notified the special committee of the Company's board of directors via e-mail to Kirkland & Ellis LLP, legal counsel to the special committee, that the Consortium withdrew the Proposal with immediate effect.

(H.K.), a company incorporated with limited liability under the laws of Hong Kong ("Xanadu"), Abdullateef A. AL-Tammar, a natural person and citizen of Kuwait, Development Holding Company Ltd., an exempted company with limited liability organized under the laws of the Cayman Islands ("DHCL") and Bjoern Ludvig Ulfsson Nilsson, a natural person and citizen of Sweden (JNKI, IDG, Jolmo Solar, CES Holding, Jing Kang, Bin Shi, SCHI, Kai Ding, TCL, Esteem, Mamaya, Xanadu, Abdullateef A. AL-Tammar, DHCL and Bjoern Ludvig Ulfsson Nilsson, collectively with Parent and Purchaser, the "Offeror Group"), commenced a tender offer to purchase all of the issued and outstanding ordinary shares, par value \$0.0001 per share (the "Ordinary Shares") including all Ordinary Shares represented by American depositary shares (the "ADSs," each representing twenty Ordinary Shares), of the Company not currently owned by Offeror Group (as well as 600,000 ADSs owned by Kai Ding and 146,499 ADSs owned by TCL, which shall be tendered in the Offer), at a price of \$0.30 in cash per Ordinary Share, or \$6.00 in cash per ADS, net to the seller in cash, without interest and less any ADS cancellation fees and other related fees and withholding taxes (the "Offer Price"), upon the terms and subject to the conditions set forth in the Offer to Purchase, filed by the Offeror Group with the SEC on July 6, 2020 (the "Offer to Purchase"), and the related letter of transmittal for Ordinary Shares (the "Share Letter of Transmittal") and the related letter of transmittal for ADSs (the "ADS Letter of Transmittal," together with the Share Letter of Transmittal, "Letters of Transmittal") which, together with any amendments or supplements, collectively constitute the "Offer." Following the purchase by Purchaser of shares of the Company in the Offer, Parent intends to cause the Company to merge with and into Purchaser (the "Merger"), with the Company surviving the Merger as a wholly owned subsidiary of Parent. As a result of the merger, each outstanding Ordinary Share/ADS (other than any Ordinary Shares/ADSs owned by Offeror Group) will be converted into the right to receive the Offer Price.

The Offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn prior to the expiration of the Offer a number of Ordinary Shares (including Ordinary Shares represented by ADSs) that, together with any other shares of the Company beneficially owned by Purchaser and the Offeror Group, constitutes at least 90% of the total voting power represented by the outstanding shares of the Company (the “Minimum Condition”); and (ii) the Debt Commitment Letter shall remain in full force and effect as of the expiration of the Offer, pursuant to which Purchaser and Parent shall have sufficient funds, after taking into consideration the aggregate proceeds of the debt financing contemplated thereby, to pay (x) the aggregate Offer price assuming all of the Ordinary Shares and ADSs that are issued and outstanding and not owned by Offeror Group (as well as 600,000 ADSs owned by Kai Ding and 146,499 ADSs owned by TCL, which shall be tendered in the Offer) are validly tendered and not properly withdrawn and (y) all fees and expenses expected to be incurred in connection with the Offer (the “Financing Condition”). The Offer is also conditioned upon certain other conditions set forth in the Offer to Purchase.

If the Offer and the Merger are completed, the ADSs would be delisted from the NASDAQ Capital Market and the Company’s obligation to file periodic reports under the Act would terminate. In addition, consummation of the Offer and the Merger could result in one or more of the actions specified in Item 4(a)-(j) of Schedule 13D, including the acquisition or disposition of securities of the Company, a merger or other extraordinary transaction involving the Company, a change to the board of directors of the Company (as the surviving company in the Merger), and a change in the Company’s memorandum and articles of association to reflect that the Company would become a privately held company.

A&R Consortium Agreement

On July 6, 2020, the Offeror Group (excluding Parent and Purchaser) entered into an Amended & Restated Consortium Agreement (the “A&R Consortium Agreement”) which amends and supersedes the Consortium Agreement in its entirety. The A&R Consortium Agreement provides, among other things, for: cooperation in arranging financing; engaging advisors; admission of new members of the consortium; cooperation in obtaining applicable governmental, statutory, regulatory or other approvals, licenses, waivers or exemptions for the consummation of the transactions contemplated by the Offer to Purchase; and cooperation in executing the currently contemplated Offer and Merger transaction scheme. During the period beginning on the date of the original Consortium Agreement and ending the first to occur of (i) the 6-month anniversary of the date of the original Consortium Agreement and (ii) the termination of the A&R Consortium Agreement on the occurrence of other termination events, members of the Offeror Group (excluding Parent and Purchaser) have agreed, among other things, to: (a) work exclusively with each other with respect to the Offer and Merger and any related transactions; (b) not to make a competing proposal for the acquisition of control of the Company; (c) acquire or dispose of any securities of the Company; or (d) enter into any written or oral agreement, arrangement or understanding regarding, or do, anything which is directly inconsistent with the transactions contemplated by the Offer to Purchase.

Rollover and Voting Agreement

On July 6, 2020, Parent and the Offeror Group members (excluding Parent and Purchaser, the “Rollover Shareholders”) entered into the Rollover and Voting Agreement (the “Rollover Agreement”), pursuant to which, at the effective time of the Merger, certain of the Ordinary Shares (including those Ordinary Shares represented by ADSs) held by the Offeror Group (the “Rollover Shares”) will be canceled for no consideration. Immediately following the acceptance and payment for Ordinary Shares/ADSs tendered (and not validly withdrawn) in the Offer upon the successful consummation thereof in accordance with its terms and conditions, each Rollover Shareholder will subscribe, or will cause its affiliate to subscribe, and Parent will issue, to such Rollover Shareholder or its affiliate, as the case may be, the number of ordinary shares of Parent set forth in the Rollover Agreement.

Each Rollover Shareholder further agreed, with respect to the Rollover Shares beneficially owned by such Rollover Shareholder, to vote for, at any annual or extraordinary general meeting of the shareholders of the Company (a “Shareholders’ Meeting”) (a) the authorization and approval of the Offer, the Plan of Merger and any related transactions, (b) against any competing transaction or any other transaction, proposal, agreement or action made in opposition to authorization and approval of the Offer and related transactions, including the Merger, or in competition or inconsistent with the Offer and related transactions, including the Merger, (c) against any other action, agreement or transaction that is intended, that could reasonably be expected, or the effect of which could reasonably be expected, to materially impede, interfere with, delay, postpone, discourage or adversely affect any of the Offer and related transactions, including the Merger, or the Rollover Agreement or the performance by such Rollover Shareholder of its obligation under the Rollover Agreement, (d) against any action, proposal, transaction or agreement that could reasonably be expected to result in a breach in any respect of any covenant, representation or warranty or any other obligation or agreement of any Rollover Shareholder contained in the Rollover Agreement or otherwise reasonably requested by Parent or the Company in order to consummate the Offer and related transactions, including the Merger, (e) in favor of any other matter necessary to effect the Offer and related transactions, including the Merger, and (f) in favor of any adjournment of the Shareholders’ Meeting or other annual or extraordinary general meeting of the shareholders of the Company, however called, at which any of the matters described in (a) — (e) above is to be considered (and any adjournment or postponement thereof) as may be reasonably requested by Parent.

Effective immediately upon the consummation of the Offer and until the effective time of the Merger, each of the Rollover Shareholders also irrevocably agreed to appoint Parent and any designee thereof as its proxy and attorney-in-fact (with full power of substitution), to vote or cause to be voted (including by proxy or written resolution, if applicable) such Rollover Shareholder’s Rollover Shares at any Shareholders’ Meeting or other annual or extraordinary meeting of the shareholders of the Company, however called, including any adjournment thereof.

Each Rollover Shareholder also agreed to not without the prior written consent of Parent, directly or indirectly, offer for sale, sell (constructively or otherwise), transfer, assign, tender in any tender or exchange offer, pledge, charge, grant, encumber, hypothecate or similarly dispose of (by merger, testamentary disposition, operation of Law or otherwise), either voluntarily or involuntarily, the Rollover Shares, or enter into a contract or arrangement to do the same.

Rollover Shareholders Kai Ding and TCL own 600,000 ADSs and 146,499 ADSs, respectively, that shall not constitute Rollover Shares (the “Non-Rollover Shares”). Under the Rollover Agreement each of Kai Ding and TCL agreed to tender the Non-Rollover Shares that each of them beneficially owns into the Offer and to not withdraw or cause such Non-Rollover Shares to be withdrawn from the Offer.

The Rollover Agreement will terminate immediately upon the earlier to occur of (a) the effective time of the Merger, and (b) the valid termination of the A&R Consortium Agreement.

As a result of these activities, Mr. Ding may suggest or take a position with respect to potential changes in the operations, management, or capital structure of the Company as a means of enhancing shareholder value. Such suggestions or positions may include one or more plans or proposals that relate to or would result in any of the actions required to be reported herein, including, without limitation, such matters as acquiring additional securities of the Company or disposing of securities of the Company; entering into an extraordinary corporate transaction such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; selling or transferring a material amount of assets of the Company or any of its subsidiaries; changing the present board of directors or management of the Company, including changing the number or term of directors or filling any existing vacancies on the board of directors of the Company; materially changing the present capitalization or dividend policy of the Company; materially changing the Company's business or corporate structure; changing the Company's certificate of incorporation, bylaws or instruments corresponding thereto or taking other actions which may impede the acquisition of control of the Company by any person; causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; causing a class of equity securities of the Company to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act; and taking any action similar to any of those enumerated above.

All defined terms used but not defined in the first place they appear in the Agreement are defined under Article XI hereof.

WHEREAS, the Parties propose to form a consortium (the “**Consortium**”) to undertake an acquisition transaction (the “**Transaction**”) to acquire Sky Solar Holdings, Ltd. (the “**Target**”), an exempted company with limited liability incorporated under the laws of the Cayman Islands and listed on the Nasdaq Capital Market (“**Nasdaq**”), pursuant to which the Target would be delisted from Nasdaq and deregistered under the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”);

WHEREAS, as part of the Transaction, the Parties propose to utilize a newly formed exempted company with limited liability incorporated under the laws of the Cayman Islands (“**Holdco**”), and to cause Holdco to incorporate a direct or indirect wholly-owned subsidiary (“**Merger Sub**”) under the laws of the Cayman Islands:

WHEREAS, at the Closing, the Parties intend that (a) Merger Sub will be merged with and into the Target (the “**Merger**”), with the Target being the surviving company (the “**Surviving Company**”) and becoming a direct wholly-owned subsidiary of Holdco, (b) each outstanding Target Ordinary Share, other than the Rollover Shares (as defined below), will be cancelled in consideration for the right to receive the merger consideration per Target Ordinary Share to be set forth in the Merger Agreement (as defined below) (the “**Merger Consideration**”); and (c) certain Target Ordinary Shares held by the Parties or their respective affiliated investment vehicles, in each case as set forth in Schedule A (collectively, the “**Rollover Shares**”) will be surrendered and cancelled for no Merger Consideration, and the Parties will be issued shares in Holdco (subject to any exceptions to be agreed upon among the Parties);

WHEREAS, on May 25, 2020, the Parties submitted a non-binding proposal (the “**Proposal**”) to the Target’s board of directors in connection with the Transaction; and

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual agreements and covenants set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

(b) Subsequent to the execution of the Merger Agreement and prior to the Closing, the Parties shall negotiate in good faith and use reasonable best efforts to (i) enter into a shareholders’ agreement of Holdco that will take effect at the Closing, which shall include, among others, the terms and conditions set forth on Appendix A (the “**Shareholders’ Agreement**”); and (ii) agree upon the terms of the amended and restated memorandum and articles of association of Holdco and the memorandum and articles of association of Merger Sub. The Parties agree that the memorandum and articles of association of Merger Sub shall become the memorandum and articles of association of the Surviving Company at the Closing.

For the avoidance of doubt, each party shall not be obligated to provide any additional equity contribution in cash or otherwise in addition to the rollover of all Target Ordinary Shares owned by it or its affiliated investment vehicles (if any).

(d) The relative ownership of Holdco by the Parties shall be based on their relative capital contributions (which, for the avoidance of doubt, shall take the form of the respective Parties’ Rollover Shares) to Holdco, with the Rollover Shares being valued at the same per share consideration as provided in the Merger Agreement, except as otherwise agreed to by all of the Parties in writing.

MISCELLANEOUS

Section 10.01 Entire Agreement. This Agreement constitutes the entire agreement between the Parties and supersedes any previous oral or written agreements or arrangements among them or between any of them relating to its subject matter.

Section 10.02 Further Assurances. Each Party shall use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable to carry out the intent and purposes of this Agreement.

Section 10.03 Severability. If any provision of this Agreement is held to be invalid or unenforceable for any reason, it shall be adjusted rather than voided, if possible, in order to achieve the intent of the Parties to the maximum extent possible. In any event, the invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of this Agreement, including that provision, in any other jurisdiction.

Section 10.04 Amendments; Waivers. Neither this Agreement nor any term hereof may be amended or otherwise modified other than by an instrument in writing signed by the Parties. No provision of this Agreement may be waived, discharged or terminated other than by an instrument in writing signed by the Party against whom the enforcement of such waiver, discharge or termination is sought. No failure or delay by any Party in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 10.05 Language. The official text of this Agreement and any notices given or made hereunder shall be in English.

Section 10.06 Assignment; No Third Party Beneficiaries. Other than as provided herein, the rights and obligations of each Party shall not be assigned without the prior consent of other Parties; *provided, however*, a Party may assign its respective rights and obligations under this Agreement, in whole or in part, to any affiliated investment funds of the Party, any limited partners or investment vehicles of the Party or such funds (other than any portfolio companies of the Party or such funds) and, subject to the consent of the other Parties (not to be unreasonably withheld or delayed), any other co-investors of the Party (as the case may be), but no such assignment shall relieve the Party from any of its obligations hereunder. This Agreement shall be binding upon the respective heirs, successors, legal representatives and permitted assigns of the Parties. Nothing in this Agreement, whether express or implied, is intended to or shall confer upon any person, other than the Parties and their heirs, successors, legal representatives and permitted assigns, any rights, benefits, claims or remedies whatsoever under or by reason of this Agreement or any provision hereof.

Section 10.07 No Partnership or Agency. The Parties are independent and nothing in this Agreement constitutes a Party as the trustee, fiduciary, agent, employee, partner or joint venturer of the other Party.

Section 10.08 Counterparts. This Agreement may be executed in counterparts and all counterparts taken together shall constitute one document. This Agreement shall not be effective until each Party has executed at least one counterpart.

Section 10.09 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the Hong Kong Special Administrative Region, without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of the laws of any other jurisdiction.

Section 10.10 Dispute Resolution.

(a) Subject to Section 10.11, any disputes, actions and proceedings against any Party or arising out of or in any way relating to this Agreement shall be submitted to the Hong Kong International Arbitration Centre (“**HKIAC**”) and resolved in accordance with the Arbitration Rules of HKIAC in force at the relevant time and as may be amended by this Section 10.10. The place of arbitration shall be Hong Kong. The official language of the arbitration shall be English and the tribunal shall consist of three arbitrators (each, an “**Arbitrator**”). The claimant(s), irrespective of number, shall nominate jointly one Arbitrator; the respondent(s), irrespective of number, shall nominate jointly one Arbitrator; and a third Arbitrator will be nominated jointly by the first two Arbitrators and shall serve as chairman of the tribunal. In the event the claimant(s) or respondent(s) or the first two Arbitrators shall fail to nominate or agree the joint nomination of an Arbitrator or the third Arbitrator within the time limits specified by the Rules, such Arbitrator shall be appointed promptly by the HKIAC. The tribunal shall have no authority to award punitive or other punitive-type damages. The award of the arbitration tribunal shall be final and binding upon the disputing parties. Any party to an award may apply to any court of competent jurisdiction for enforcement of such award and, for purposes of the enforcement of such award, the Parties irrevocably and unconditionally submit to the jurisdiction of any court of competent jurisdiction and waive any defenses to such enforcement based on lack of personal jurisdiction or inconvenient forum.

(b) Notwithstanding the foregoing, the Parties hereby consent to and agree that in addition to any recourse to arbitration as set out in this Section 10.10, any Party may, to the extent permitted under the laws of the jurisdiction where application is made, seek an interim injunction from a court or other authority with competent jurisdiction and, notwithstanding that this Agreement is governed by the laws of the Hong Kong Special Administrative Region, a court or authority hearing an application for injunctive relief may apply the procedural law of the jurisdiction where the court or other authority is located in determining whether to grant the interim injunction. For the avoidance of doubt, this Section 10.10(b) is only applicable to the seeking of interim injunctions and does not restrict the application of Section 10.11 in any way.

Section 10.11 Remedies. Without prejudice to the rights and remedies otherwise available to any Party, including the right to claim money damages for breach of any provision hereof, any Party may bring an action for specific performance and/or injunctive or other equitable relief (without posting a bond or other security) to enforce or prevent any violations of any provision of this Agreement.

NOTICE INFORMATION

[See Attached.]

May 25, 2020

The Board of Directors
Sky Solar Holdings, Ltd.
Unit 417, 4th Floor, Tower Two Lippo Centre
89 Queensway, Admiralty
Hong Kong Special Administrative Region
The People's Republic of China

Ladies and Gentlemen:

Japan NK Investment K.K., IDG Accel China Capital L.P., IDG-Accel China Capital Investors L.P., Jolmo Solar Capital Ltd., CES Holding Ltd., Jing Kang, Bin Shi, Sino-Century HX Investments Limited and Kai Ding (together, the "Buyer Group") are pleased to submit this preliminary non-binding proposal to acquire all outstanding ordinary shares (the "Shares") of Sky Solar Holdings, Ltd. (the "Company") not beneficially owned by the Buyer Group in a going-private transaction (the "Acquisition"). Our proposed purchase price for each American depositary share of the Company ("ADS", each representing twenty Shares) is US\$6.00 in cash. The Buyer Group and their respective affiliates beneficially own approximately 72.0% of all the issued and outstanding Shares of the Company.

We believe that our proposal provides an attractive opportunity for the Company's shareholders. Our proposed purchase price represents a premium of approximately 81.3% to the closing trading price of the Company's ADSs on May 22, 2020, the last trading day prior to the date hereof, and a premium of approximately 94.0% and 109.2% to the volume-weighted average closing price of the Company's ADSs during the last seven and thirty trading days, respectively.

The terms and conditions upon which we are prepared to pursue the Acquisition are set forth below. We are confident in our ability to consummate an Acquisition as outlined in this letter.

1. **Buyer Group.** Members of the Buyer Group have entered into a consortium agreement, pursuant to which members of the Buyer Group have agreed to, among other things, cooperate in connection with implementing the Acquisition, and work with each other on an exclusive basis in pursuing the Acquisition, in each case subject to the terms and conditions of the Consortium Agreement. The contemplated consortium agreement, subject to its terms and conditions, obligates the Buyer Group members to (i) vote for the proposed Transaction and not take any action inconsistent with it, (ii) not transfer any of their respective shares in the Company unless as otherwise permitted under the Consortium Agreement, and (iii) vote against any competing proposal or matter that would facilitate a competing proposal.

2. **Purchase Price.** The consideration payable for each ADS will be \$6.00 in cash, or \$0.30 in cash per Share (in each case other than those ADSs or Shares beneficially owned by members of the Buyer Group or their affiliates that will be rolled over in connection with the Acquisition).

3. Financing. We intend to finance the Acquisition with a combination of debt and equity capital. Equity financing will be provided from the Buyer Group members and any additional members we accept into the Buyer Group in the form of rollover equity in the Company. Debt financing is expected to be provided by third-party loans, and we are confident that we can timely secure adequate financing to consummate the Acquisition.

4. Definitive Agreements. We are prepared to promptly negotiate and finalize the definitive agreements, including a merger agreement (the “Definitive Agreements”), providing for the Acquisition and related transactions. This proposal is subject to execution of the Definitive Agreements. These documents will include provisions typical for transactions of this type.

5. Process. We believe that the Acquisition will provide superior value to the Company’s shareholders. We recognize that the board of directors of the Company (the “Board”) will evaluate the Acquisition independently before it can make its determination to endorse it. Given the identity of the Buyer Group and its relationships with certain Board members, we expect that the independent, disinterested members of the Board will proceed to consider the proposed Acquisition.

6. Confidentiality. Members of the Buyer Group will, as required by law, promptly file a Schedule 13D with the U.S. Securities and Exchange Commission to disclose this proposal. However, we are sure you will agree with us that it is in all of our interests to ensure that we proceed in a strictly confidential manner, unless otherwise required by law, until we have executed the Definitive Agreements or terminated our discussions.

7. No Binding Commitment. This proposal constitutes only a preliminary indication of our interest, and does not constitute any binding commitment with respect to the Acquisition. A binding commitment will result only from the execution of Definitive Agreements, and then will be on terms and conditions provided in such documentation.

In closing, we would like to express our commitment to working together to bring this Acquisition to a successful and timely conclusion. Should you have any questions regarding this proposal, please do not hesitate to contact us.
